

PALI DOLPHINS FOOTBALL

IMPORTANT INFORMATION ABOUT PLAYER-OWNED HELMETS

IF YOUR PLAYER OWNS HIS OWN HELMET: All player-owned helmets **must** get a new year sticker (2022, 2023, etc) to be used during the upcoming season. It is the responsibility of the player's family to handle this.

We recommend you have [Continental Athletic Supply](#) do the reconditioning. It can take them **up to 8 weeks** from the time they receive the helmet to return it to you. You are responsible for the reconditioning cost plus shipping and handling.

Complete, print out and submit their [online order form](#). Include a copy of the order form in the box with your helmet and send to the following address:

Continental Athletic Supply, Inc
Attention: Individual Processing
1050 Hazel Street
Gridley, CA 95948

Reconditioning can also be done through [Riddell](#).
